On Friday 21 September 2012, mother of five, Davina Williams found herself facing two policemen on her doorstep. It was the start of a year-long nightmare that still haunts the entire family. Her fifteen-year-old daughter was missing and soon after was captured on CCTV boarding a ferry to France with her thirty-year-old school teacher Jeremy Forrest.The newspapers called her The Runaway Schoolgirl and some saw their romance as nothing more than a harmless love story. But Forrest had abused his position of responsibility and engaged his pupil in a sexual relationshipNow Davina Williams, the mother of the teenager referred to as Gemma Grant, tells the story of the abduction and subsequent capture of Forrest, its harrowing aftermath and the traumatic trial to make Forrest pay for his crimes.Told only as a mother knows how, Davina Williams hopes her heart wrenching story will silence the parasites who believed they should be together and allow 'Gemma' and her family to finally move on with their lives.

In 2013 students at Venice High School in Los Angeles formed the first P.O.P.S. (Pain of the Prison System) club, a club for those whose lives have been touched by prison. Many have parents, friends, siblings, uncles and aunts inside; some have had their own brushes with the law. All have stories to tell. Runaway Thoughts offers the stories, artwork and essays of those whose voices we too seldom hear.

Brothers Topo and Mono discover a skeleton in a shed and decide to play detective.

"When little Ella's grandmother dies, she is turned out of her home and forced into a life of cruel labour. Even her own mother won't help, too busy with her new husband. Seeking refuge at the Foundling School for Girls, Ella meets Julia, who has been torn apart from her twin, Ned. They must take matters into their own hands if they're to stay together despite their parents' wishes. In a world of hardship and betrayal, three children begin a search for belonging. But years of strife have left their mark on Ella, Ned and Julia... Is it too late, or can they find the new start they need?"--Publisher description.

The Author served at RAF Khormaksar in Aden from July 1965 - June 1967 where these letters were written As a precursor, on 27February 1963, he wrote to his then girlfriend these words that have proved her lasting, and favourite quote: [Dear Gloria neigh Patience, How time flies! "These days one needs to muster all the vigilance possible to keep abreast of the ever escaping minutes and days". When I promised to write to you over the phone on Monday, I really meant to get down and do it that evening, but one thing led to another, and here am I now on Wednesday still trying to do it!] Later that year, they were to have a serious row that threw them apart for the next two years until he decided to renew contact by writing the enclosed amazing letter on 3rd December 1965. The rest is History!

This straightforward reference surveys the knowledge base on homeless, runaway, and thrown-away children and adolescents and makes concrete recommendations for policy and practice. It is a comprehensive volume, that covers new state legislation in the U.S. dealing with runaway and homeless youth. The book's ecological approach grounds readers in the demographics of this diverse population, family and other risk factors for leaving home (and alternative arrangements such as foster care), and the survival skills homeless young people use to sustain themselves. Chapters cover a gamut of physical, psychological, and social problems, from drug abuse to depression to STIs, with special attention paid to the multiple difficulties faced by LGBT street youth and street youths' experiences with the legal and justice systems. The author also assesses established and emerging interventions used with runaway youth, and the effectiveness of policy initiatives dealing with improving conditions for youth on the streets and at risk. Included in the coverage: · Runaway youth at the time of their disappearance. · Food insecurity and related problems among homeless and runaway youth. · Substance use among homeless and runaway adolescents. · Runaway and

homeless sexual minorities. · Court responses to runaway offenses and other juvenile status violations. · Street youth in different countries. Presenting the complex situation as it stands, and with clear suggestions for action, Runaway and Homeless Youth is a valuable resource for family therapists, sociologists, social workers, school administrators, health professionals, police, judges, and other criminal justice professional, along with professionals involved in young people's well-being and policy-making initiatives.
