The Silent Minaret. Ishtiyag Shukri. Date: 2004. Brief: critique and feedback. Job description: I read through several drafts of this novel, suggesting changes, edits and aspects for further development. Being closely involved in its journey from first draft to final manuscript, I became very familiar with the text. It was very exciting when it won the 2004 EU Literary Award for Best First Novel and was published by Jacana Media (South Africa) as part of this prize.
