words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.

Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." "The New York Times" "Exciting and excellently written." "The New York Times Book Review" "With its serious intentions and light touch the story is, like the Tucks, timeless." "Chicago Sun-Times" "Probably the best work of our best children's novelist." "Harper's" "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." "The Boston Globe" "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." "Entertainment Weekly" This title has Common Core connections.

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author's note by Katherine herself and a foreword by New York Times bestselling author Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie's house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. *Bridge to Terabithia* was also named an ALA Notable Children's Book and has become a touchstone of children's literature, as have many of Katherine Paterson's other novels, including *The Great Gilly Hopkins* and *Jacob Have I Loved*.
