The bestselling autobiography of the greatest rugby player of our time: Brian O'Driscoll. Since 1999, when he made his international debut, there has been no greater player in world rugby than Brian O'Driscoll. In 2010 Rugby World magazine named him its world player of the decade - and since then the legend has only grown. Now, at the end of his amazing career - which culminated in fairy-tale fashion with Ireland's victory in the 2014 Six Nations championship - he tells his own story. Honest, gritty and thoughtful, Brian O'Driscoll's Autobiography is not just an essential sports book. It is an essential book about family, friends, hard work, courage and imagination. 'Honest, charming and revealing - a thoroughly good read' Rugby World 'A thoroughly enjoyable read ... After reading The Test I warmed even more to O'Driscoll as a player and a man. He stood for a new ethos in Irish sport that refused to accept mediocrity or glorious failure' Fergal Keane, Irish Times 'O'Driscoll's honesty ... takes the reader to a place they simply have not been before' Vincent Hogan, Irish Independent 'A must-read insight into the life and mind of Ireland's greatest rugby player' Irish Mail on Sunday 'There are fascinating insights into the lengths he was willing to go to perform at the highest level' Sunday Business Post

Jonny Wilkinson's career has crossed three decades and four World Cups. He has accumulated phenomenal achievements, world points records, an impressive list of broken body parts, and a drop goal that will be remembered for ever. But the peculiar calmness with which he played the game masked a very different reality. In JONNY, he reveals the extraordinary psychology that he had to tame in order to be able to dominate his sport. For most of his life, he was driven by a quest for perfection and an obsession to be the best player in the world; here he shows how these two facets of his competitive mind took such a hold of him that they sent him to the top of the world, then swept him up and dragged him down into a spiral of despair. Jonny's career has spanned the far reaches: amazing highs and iconic moments, then a fight against injury that culminated in a battle with depression. Here he tells of the physical toll he knew his body was taking from rugby, even from his youth; he tells of how he never wanted to be a kicking fly-half but learned to adapt his natural game to play the style that Clive Woodward believed necessary to win a World Cup, and how he nearly walked out on Martin Johnson's England team 13 years later.

In rugby, there are the Flash Harrys and the Glory Boys: the fly-halves who run, kick and dazzle; the scrum-halves who nip and dart; the wingers who step and glide. These are the players who get the crowd on their feet, who set stadiums abuzz. But they only get to do these things because other, less glorified figures do all of the donkey work. Adam Jones is one such figure. And for a decade he was one of the world's best. On many occasions when George North or Shane Williams were careering under the posts to score a try, and the crowd was engulfed in rapturous joy, Adam Jones would be hauling himself up from the turf, spitting blood and mud, and massaging his aching neck. He hadn't scored the try; but more often than not it was his graft and strength which had made it. This is the story of 'Bomb': the self-effacing manual labourer from the Swansea Valley who traded laying paving slabs for running out in some of the world's most imposing sporting citadels. He rose to the pinnacle of his sport, winning virtually everything there was to be won: Grand Slams, Six Nations Championships, Lions tours, Pro12 titles. In a nation of rugby heroes, Adam Jones has become a legend. Only six Welshmen can say they've won three Grand Slams. He is one of them: not just as a bit-part player, but as the beating heart of the most successful squad in Welsh rugby history. His was one of the first names on the team sheet. He was - literally and metaphorically - the cornerstone of this Welsh side. In his autobiography, Jones reveals exactly what goes on in the murky depths of the front row: the tricks, the techniques, the physical and psychological warfare; and the mental fortitude it takes to endure in one of the hardest positions, in one of the world's toughest contact sports.

That day I cried like a baby not because I feared what cancer would do but because I didn't want the disease. I wanted my life to be normal, which it could not be. For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book The test of my life, he reveals how plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy when he lost his energy, his appetite, and his hair and his battle to find the will to survive. Poignant, personal, and moving The test of my life is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.

Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In No Spin, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Gatting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his

trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in No Spin Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever.

Donncha O'Callaghan is one of Ireland's leading international rugby players, and a stalwart of the Munster side. He was a key figure in the Irish team which won the IRB 6 Nations Grand Slam in 2009, and has won two Heineken Cup medals and two Magners League titles with Munster. But that success did not come easy. For such a well known player with a larger-than-life reputation, his long battle to make a breakthrough at the highest level is largely unknown. In this honest and revealing autobiography, Donncha talks in detail about the personal setbacks and disappointments at Munster and the unconventional ways he dealt with the frustration of not making the team for four of five years in his early 20s. He had a parallel experience with Ireland where it took him nearly six years to get from fringe squad member to established first choice player. Here he talks candidly about how he brought discipline to his game, and about his relationships with the coaches who had overlooked him and the second row rivals who had kept him on the bench. Donncha talks also with great warmth about a hectic childhood that was shaped by the death of his father when he was only six years old. One of the heroes of his story is his mother Marie who showed incredible strength and resourcefulness to rear a family of five on her own. Often deservedly regarded as 'the joker in the pack', what is often less well known is the serious attitude and intensely professional approach Donncha brings to his rugby. Joking Apart gives the full picture, showing sides of the man that will be unfamiliar to followers of Irish rugby and will surprise the reader.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

WINNER OF THE CROSS SPORTS BOOK AWARDS RUGBY BOOK OF THE YEAR The revelatory autobiography of a rugby colossus: Paul O'Connell. There has never been a rugby player quite like Paul O'Connell. He is synonymous with passion, heart and determination; but he is also the thinking man's rugby player, a legendary student of the game. As the heartbeat of Munster, British and Irish Lions captain in 2009, and captain of the first Ireland team to defend a Six Nations championship, O'Connell has emerged as perhaps the most beloved of the golden generation of Irish rugby players. In an autobiography as intense as its author, he tells the story of his remarkable career. 'O'Connell's book tells you how it all happened' David Walsh, Sunday Times 'O'Connell has emptied the tank here' Hilary A. White, Irish Independent 'The intense physicality of his rugby upbringing is an abiding theme . . . along with humour, the craic and an extensive knowledge of how teams work' Paul Hayward, Daily Telegraph 'I found The Battle entrancing' Stephen Jones, Sunday Times 'Revelatory . . . Unflinchingly charts his personal evolution' Keith Duggan, Irish Times

The Phenomenal Sunday Times No1 Bestseller It was the start of the third lap of the 2010 Senior TT, the last race of the fortnight. The last chance to get a TT win for another year, and I was pushing hard. Ballagarey. The kind of corner that makes me continue road racing. A proper man's corner. You go through the right-hander at something like 170mph, leant right over, eyes fixed as far down the road as I can see. But this time something happened. This time the front end tucked ... Guy Martin, international road-racing legend, maverick star of the Isle of Man TT, truck mechanic and TV presenter, lives on the edge, addicted to speed, thoroughly exhilarated by danger. In this book we'll get inside his head as he stares death in the face, and risks his life in search of the next high. We'll discover what it feels like to survive a 170mph fireball at the TT in 2010, and come back to do it all again. He'll sweep us up in a gritty sort of glory as he slogs it out for a place on the podium, but we'll also see him struggle with the flipside of fame. We'll meet his friends and foes, his family, his teammates and bosses and we'll discover what motivates him, and where his strengths and weaknesses lie. For the first time, here is the full story in Guy's own words. From the boy who learned to prep bikes with his dad, to the spirited team mechanic, paying his way by collecting beer glasses in pubs, to the young racer at the start of his first race and the buzz he's been chasing ever since. This thrilling autobiography is an intense and dramatic ride.
