Patricia Highsmith, where you half expect Alfred Hitchcock to appear in cameo at some point.

~~The Two Faces of January (2014) —IMDb~~

The Two Faces of January is a 2014 American-British- French thriller film written and directed by Hossein Amini, in his directorial debut. It is based on Patricia Highsmith 's 1964 novel The Two Faces of January and stars Viggo Mortensen, Kirsten Dunst and Oscar Isaac. Filming took place on location in Greece and Turkey, and at Ealing Studios.

~~Two Faces of January, review~~

From the producers of Tinker Tailor Soldier Spy and the writer of Drive comes The Two Faces of January starring Viggo Mortensen, Kirsten Dunst, and Oscar Isaac. Available on iTunes and on demand...

“ [A] classic psychological thriller. ” —USA Today Originally published in 1964, and the winner of the CWA Best Foreign Novel Award, Patricia Highsmith ' s The Two Faces of January is a chilling tale of suspense, suffused with her trademark slow, creeping unease. In a grubby Athens hotel, Rydal Keener is bored and killing time with petty scams. But when he

## Acces PDF The Two Faces Of January English Edition

runs into another American, Chester MacFarland, dragging a man ' s body down the hotel hall, Rydan impulsively agrees to help, perhaps because Chester looks like his father. Then Rydal meets Collete, Chester ' s younger wife, and captivated, becomes entangled in their sordid lives, as the drama marches to a shocking climax at the ruins of the labyrinth at Knossos. A film version of The Two Faces of January, starring Viggo Mortensen, Kirsten Dunst, and Oscar Isaac (Drive, Inside Llewyn Davis) is in production. Adapted by Academy Award nominee Hossein Amini (Drive), and produced by Working Title and Timnick Films (The Talented Mr. Ripley), it will be released later this fall. “ An offbeat, provocative

end of his rope and on the run with his young wife Colette. Rydal Keener is a young drifter looking for adventure: he finds it in one evening as the law catches up to Chester and Colette, and their fates become fatally entwined. Patricia Highsmith draws us deep into a cross-European game of cat and mouse in this masterpiece of suspense from the author of *The Talented Mr Ripley*.

What will you do, when you wake up with no memory, a new face, and discover you have a family you don't recognize? Anjali Mehta has to piece together her life after a terrible accident. Her husband is cold and indifferent towards her. Will she be able to convince him that she is not a manipulative and

## Acces PDF The Two Faces Of January English Edition

selfish person? How will she handle the attraction between them? Will her life be the same again if she gets her memory back? Ashish Mehta, an aloof and handsome businessman, has given up on love and wants no second chances with his estranged wife. Why does he then feel compelled to help her? Are the changes he sees in her real, or is it all an act? Can he turn away from his attraction to her? How long can he hold the secret he carries from her? An unexpected twist throws them in jeopardy. Will they be able to fight the danger they face? Two Faces of a Coin is the journey of Anjali and Ashish, as they struggle with both their past and present to define their future together.

Like its widely praised predecessor *False Dawn*, *Two Faces of Liberalism*, hailed by the *Los Angeles Times* as "elegant and powerful," offers a thoughtful and provocative analysis of the liberal tradition in politics. John Gray, an eminent professor at the London School of Economics, "picks large and interesting topics and says arresting things about them," according to the *New York Review of Books*. *Two Faces of Liberalism* argues that, in its beginning, liberalism contained two contradictory philosophies of tolerance. In one, it put forward the enlightenment vision of a universal civilization. In the other, it framed terms for peaceful coexistence between warring communities and between different

## Acces PDF The Two Faces Of January English Edition

ways of life. In this major contribution to political theory, Gray's new book "takes us beyond the current debate" (The New York Times Book Review) of traditional liberalism to keep up with the complex political realities of today's increasingly divided world.

This is a sweeping new interpretation of the national experience, reconceiving key political events from the Revolution to the New Deal. Rana begins by emphasizing that the national founding was first and foremost an experiment in settler colonization. For American settlers, internal self-government involved a unique vision of freedom, which combined direct political participation with

## Acces PDF The Two Faces Of January English Edition

economic independence. However, this independence was based on ideas of extensive land ownership which helped to sustain both territorial conquest and the subordination of slaves and native peoples. At the close of the nineteenth century, emerging social movements struggled to liberate the potential of self-rule from these oppressive and exclusionary features. These efforts ultimately collapsed, in large part because white settlers failed to conceive of liberty as a truly universal aspiration. The consequence was the rise of new modes of political authority that presented national and economic security as society ' s guiding commitments. Rana contends that the challenge for today ' s

## Acces PDF The Two Faces Of January English Edition

reformers is to recover a robust notion of independence and participation from the settler experience while finally making it universal.

The Double Headed Eagle, the symbol of the Late Byzantine Empire, speaks eloquently to the worldview of the Byzantines, whose Empire looked both to the East and to the West, but never was—or is—really part of either. At its apogee, the Byzantine Empire was the highest civilization in Europe—the Center. This Double

## Acces PDF The Two Faces Of January English Edition

Headed Eagle is cherished by the Balkan Orthodox successors to Byzantium, and versions of it grace the national flags of Serbia, Montenegro, and even Albania. Encroached upon by both the Muslim East and the Catholic West, the Byzantine Eagle succumbed, only to emerge, in a state of arrested development, after several hundred years of Turkish or Western Catholic rule. This stunted progression emerges time and again in the civic culture, architecture, economics, and politics of the region, and has direct relevance on political and economic issues today, including Greece ' s present financial malaise, and the breakup of Yugoslavia in the 1990s. Traveling through this Ex-Byzantine zone, Billinis offers

## Acces PDF The Two Faces Of January English Edition

history, architecture, personal experiences, and numerous anecdotes to expound on key central themes. First, that the Balkan Orthodox nations form a common culture and virtual commonwealth, while still maintaining ethnic, geographical, and linguistic diversity. Without understanding this common Byzantine base, it is impossible to appreciate and to understand the region. Second, the common experience of Turkish rule, while preserving Byzantine culture and insulating the Orthodox religion from Catholic encroachment, did so by cutting off Byzantine Europe from economic, political, cultural, and civic development in progress in Western Europe. The states that emerged from this condition

## Acces PDF The Two Faces Of January English Edition

were—and are—ill prepared to contribute and to compete in modern Europe, and in a globalized world. Finally, throughout, there is a sense that history, rather than linear, runs in a circular form, and that history once again encroaches on the lands of the Double Headed Eagle.
