This is a very entertaining book  
which provides a peek into the  
passion of those who play, make,  
and sell violins. In addition, it  
provides both facts and folklore  
about the history and the culture  
surrounding classic violins made  
in the 1600s and 1700s by  
Stradivari and others, especially  
why or why not the performance  
might be equaled by a violin  
made in current times.
