The Mother, the Lover, the Trickster, the Spiritual and Temporal Leader, the Devil—these are just some of the universal essences, known as archetypes, that lie deep within the human spirit; these are forces that we all recognize and embody in some capacity. *Acting and Singing with Archetypes* is a groundbreaking, experiential book that uses archetypes as the basis of an unprecedented method of study for actors and singers. By using fifteen archetype explorations that employ vocal exercises, mask making, monologue and scene work, breathing exercises, role playing, storytelling, singing, meditation, self-reflection, and more, this book empowers actors to interpret character and voice in exciting, untraditional ways. The explorations ultimately leave performing artists with the tools they need to develop their theatrical roles to the fullest, utilize their singing and speech

abilities with the widest range of emotion, and unlock their overall creative potential. The book also reinforces the importance of breathing, relaxing, stretching, and other physical techniques that enable healthy practice of the craft. Geared toward theatre teachers, directors, and theatre workshop leaders, this is an incredible teaching tool, accompanied by a CD of demonstrative recordings of vocal exercises and other guiding content sung and spoken by authors Janet B. Rodgers and Frankie Armstrong. Book jacket.

If We Were Birds is a shocking, uncompromising examination of the horrors of war, giving voice to a woman long ago forced into silence, and placing a spotlight on millions of female victims who have been silenced through violence. A

Edith
deeply affecting and thought-provoking re-imagining of Ovid's masterpiece "Tereus, Procne, and Philomela," Erin Shields's award-winning play is an unflinching commentary on contemporary war and its aftermath delivered through the lens of Greek tragedy.

A Companion to Shakespeare and Performance provides a state-of-the-art engagement with the rapidly developing field of Shakespeare performance studies. Redraws the boundaries of Shakespeare performance studies. Considers performance in a range of media, including in print, in the classroom, in the theatre, in film, on television and video, in multimedia and digital forms. Introduces important terms and contemporary areas of enquiry in Shakespeare and performance. Raises questions about the dynamic interplay between Shakespearean
