The World and Other Places is a collection of short stories by Jeanette Winterson O.B.E in the style of postmodernism. Some of the contained short stories have been previously published in well known publications, such as The New Yorker. Winterson, like other postmodernists, plays with her words so they carry multiple layers and interpretation.

The World and Other Places - Wikipedia

The World & Other Places. In Jeanette Winterson's first collection of short stories, we are confronted with characters so at odds with themselves and the world-whether our own, familiar world or one of the author's invention-that it is difficult to truly empathize with any of them. The first story, The 24 Hour Dog, is a lullaby of a tale compared to those that follow, yet still manages to leave behind the disconcerting notion that a human being who cannot even take responsibility for ...

The World & Other Places - Jeanette Winterson

The World and Other Places is a collection of short stories that aren't stories, that are self-indulgent, that rarely venture into full-fleshed or intere It's too much first person. It's trying to be Steven Millhauser and absolutely failing.

About The World and Other Places. With language as dazzling as the wondrous visionary landscapes they evoke, these seventeen works transport the reader to worlds in which sleep is illegal, the lives of lonely department store clerks are transformed by fairies, the rich wear coal jewelry on an island of diamonds, and the living laminate their dead. Here is a universe where rooms go missing, women give birth to their lovers, and the young contemplate God's creative powers through pet tortoises.
