Espionage Clics

Harry Chapman Pincher is regarded as one of the finest investigative reporters of the twentieth century. Over the course of a glittering six-decade career, he became notorious as a relentless investigator of spies and their secret trade, proving to be a constant thorn in the side of the establishment. So influential was he that Prime Minister Harold Macmillan once asked, 'Can nothing be done to suppress Mr Chapman Pincher?' It is for his sensational 1981 book, *Their Trade Is Treachery*

Acces PDF Their Trade Is Treachery The Full

Trade is Treachery, that he is perhaps best known. In this extraordinary volume he dissected the Soviet Union's infiltration of the western world and helped unmask the Cambridge Five. He also outlined his suspicions that former MI5 chief Roger Hollis was in fact a super spy at the heart of a ring of double agents poisoning the secret intelligence service from within. However, the Hollis revelation was just one of the book's many astounding coups. Its impact at the time was immense and highly controversial, sending ripples through the British intelligence and political landscapes. Never before had any writer penetrated so deeply and authoritatively into

Acces PDF Their Trade Is Treachery The Full

this world - and few have since. Available now for the first time in thirty years, this eye-opening volume is an incomparable and definitive account of the thrilling nature of Cold War espionage and treachery. The Dialogue Espionage Classics series began in 2010 with the purpose of bringing back classic out-of-print spy stories that should never be forgotten. From the Great War to the Cold War, from the French Resistance to the Cambridge Five, from Special Operations to Bletchley Park, this fascinating spy history series includes some of the best military, espionage and adventure stories ever told.

In the early 1960s, various UK government committees made

Acces PDF Their Trade Is Treachery The Full

recommendations on how to begin combatting what it perceived to be the growing threat to the UK from the Cold War spy armies. Perhaps the most famous outcome was the 'For Official Use Only' booklet produced for Civil Servants and the Armed Forces, now reproduced for the first time since 1964, Their Trade is Treachery gives a fascinating glimpse into the world of secrecy, paranoia and betrayal that was the British Civil Service during the height of the Cold War.

Harry Chapman Pincher is a

Acces PDF Their Trade Is Treachery The Full

Legend among journalists. As an investigative reporter, he struck terror into those trying to hide the murky secrets of state. After early careers as a teacher, a scientist and a soldier, Chapman Pincher joined Lord Beaverbrook's then all-powerful Daily Express in the summer of 1945 - and quickly became the master of the journalistic scoop. His first splash, a top-secret account of the development of the atomic bomb, sparked a furious transatlantic row. It was only the start of a career in which his name became synonymous with high-level exclusives from the most secret corners of government. When he finally retired from journalism, the leaks kept coming, leading to a series of bestselling books on the

Acces PDF Their Trade Is Treachery The Full

infiltration of Britain's intelligence services by Moscow, culminating in his allegation that the head of MI5 was in fact a Soviet spy.

In *Dangerous to Know*, Chapman Pincher took pen to paper to describe the extraordinary events he witnessed and the varied characters he encountered. Colourful, indiscreet and compelling, this is the life of a true journalistic colossus and a revealing description of the century he bestrode.

From noted intelligence authority and author Chapman Pincher comes an utterly riveting book that reveals in startling detail sixty years of Soviet spying against Great Britain and the United States. Using a huge

Acces PDF Their Trade Is Treachery The Full

cache of recently released documents and exclusive interviews, Pincher makes a compelling new case that—as he has long believed—the head of Britain’s own counterintelligence and security agency was himself a double agent, acting to undermine and imperil the U.K. and America. Written with the power of a heart-pounding thriller, *Treachery* pulls the mask from intelligence leader Roger Hollis. As a result, years of traitorous action and inaction on his watch come tumbling down. Pincher reveals Hollis’s early years, when he was schooled at Oxford, which “educated” many agents, and worked in 1930s Shanghai, a hotbed of soon-to-be spies and Soviet recruiters. Hired

Acces PDF Their Trade Is Treachery The Full

by MI5-at a time when there was virtually no vetting of employees—he was a gray presence who rose in the ranks over twenty-seven years while, Pincher suspects, he was allowing the most notorious Soviet spies of the century to flourish. Myriad fascinating case histories are portrayed here, including that of Lt. Igor Gouzenko, a Red Army cipher clerk who said cryptically in 1945 that there was a mole in MI5 with access to important files. Pincher also provides exciting new perspectives on the most infamous operatives of our time, including Kim Philby and Klaus Fuchs. Perhaps most explosively, Pincher posits that long after Hollis stepped down, a cover-up was perpetrated at the highest

Acces PDF Their Trade Is Treachery The Full

levels, and that Margaret Thatcher was induced to mislead Parliament to prevent the truth from coming out. An essential volume for a world potentially facing a new cold war as Russia dangerously flexes its military and espionage muscles once again, Treachery warns us to protect our society and institutions from enemy infiltration in the future. This is a revelatory work that puts twentieth-century politics and war into stunning new relief.

In recent years a considerable number of dirty tricks campaigns, alleged to have been carried out by MI5, have come to light.

Access PDF Their Trade Is Treachery The Full

Chapman Pincher, with the aid of access to material denied to other journalists, here examines a variety of cases such as the Markhov umbrella murder.

In *Treachery*, noted intelligence authority and author Chapman Pincher makes a compelling case that the head of Britain's own counterintelligence and security agency was himself a double agent, acting to undermine and imperil the UK and America. Fortified by a mass of new information, he pulls the mask from the MI5 chief, Sir Roger Hollis, and, as a result, years of traitorous action and inaction on his watch come tumbling down.

Acces PDF Their Trade Is Treachery The Full

Pincher reveals Hollis's early years, when he attended Oxford University, which 'educated' many agents, and worked in 1930s' Shanghai, a hotbed of soon-to-be spies and Soviet recruiters. Also for the first time, he exposes how Hollis entered MI5 where, he was a grey presence who rose in the ranks over 27 years while, as Pincher reveals in startling new detail, he was allowing the most notorious Soviet spies of the century to flourish. Myriad intriguing case histories are portrayed here, including that of Lt. Igor Gouzenko, a Red Army cipher clerk who disclosed, in 1945, that there was a mole in MI5 serving Russian intelligence - an exposure which touched off the Cold War.

Acces PDF Their Trade Is Treachery The Full

With a mass of new evidence, some from Russian sources, Pincher tracks that mole and also provides exciting new perspectives on other infamous operatives of our time, including Kim Philby and Klaus Fuchs. Perhaps most explosively, Pincher posits that long after Hollis stepped down, a cover-up was perpetrated at the highest levels, even involving Margaret Thatcher, to conceal the truth forever - a deception which still continues. Treachery warns us to protect our society and institutions from enemy infiltration in the future. It is a revelatory work that puts twentieth-century politics and war into stunning new relief.
