In Book Two of L. A. Weatherly's wildly romantic, action-packed trilogy, the angels are back with a vengeance . . . and they don't have heaven in mind. In the wake of the Second Wave, the angel menace has exploded, and Alex and Willow are on the lam. Willow's prophetic dream points them to Mexico City, where they connect with a fledgling group of angel killers led by the exotically beautiful Kara, an Angel Killer from Alex's past. But the team remains suspicious of Willow, even after the more-experienced Alex takes over as leader, training them hard for a rush attack on the Seraphic Council, or "The Twelve." This elite group of all-powerful angels is also under the scrutiny of Willow's angel-father, Raziell, who has his own sinister plan to defeat them. What Willow hasn't told Alex is that there was also a mysterious boy in her dream, one she felt overpoweringly attracted to. When brooding, gorgeous Seb shows up in the flesh, he turns out to be another - possibly the world's only other - half angel. He's been searching for Willow all his life, and when Alex enlists this rival to help keep Willow safe, he can't predict what chemistry will pass between them . . . or how far Willow might go to keep Alex safe. Will their love endure or spell doom for the human race?

Someone to watch over me? Sean Seamus Desmond, newly-announced Nobel Prize winner, relishes the unknowns of science, but a real-life mystery of love and passion. . . in the form of a beautiful woman who says she's his guardian angel? Impossible. Yet there in his New York hotel room is an enchanting creature named Gabriella Light, who inexplicably and dramatically has just saved his life. Voluptuous and exquisitely dressed, sexy Gabriella, angel or not, is determined to keep him alive as a terrifying web of intrigue closes around him. Pursued by a very real and present danger, Sean Desmond will question his own sanity and his deepest beliefs, as he experiences what cannot be rationalized away as anything other than a powerful, radiant, and transcendent love. . . one that will test him as a man too long afraid of human and divine fires within himself! A wonderful, electrifying novel, Angel Fire, will delight readers with the storytelling magic that Andrew Greeley does best. Again he has created a tale rich with suspense, breathless entertainment, compelling ideas--and fascinating characters we love, cherish, and never forget.
