Those at the table with him knew he was up to something as he slid out of the booth and stood up, but no one was celebrating ... you ' re still my bride. Forty-three year later, you ' re still ...

Once there was an elephant whose ears were so small, all the other elephants called him No-Ears. No-Ears is not a happy elephant. Constantly teased for being different, it's not until the old grand-daddy bull elephant finds himself in a spot of bother that No-Ears discovers that being different can be an advantage!

Joshua feels bad when the other kids tease him about his big ears, but then he learns to accept himself the way God made him.

"The king of the gnomes has a magic pipe with which he blows a wonderful bubble and taking Ned. with him they both have a delightful time in Gnomeland"--Publisher's advertisement.

A young Catholic priest, Father Maitland raises eyebrows among the brothers of St. Peter ' s the moment his young cousin and new bride spend the night in his room. But even when he ' s trying to do the right thing, Father Maitland continuously finds himself at odds with his superiors and the strictures of the Church—a conflict that threatens to unravel his faith and his life. A fastidious and darkly satirical novel, with moments of warm humor, *Three Cheers for the Paraclete* won Thomas Keneally his second Miles Franklin Award.

It is 1916. Bartholomew Bandy, fourth-year medical student, decides that it is time to join the War. The prim young Canadian expects that he will have few problems remaining clean and virtuous. But he is aware that his bland, horse-like face drives people crazy, and that he has a certain tendency to be accident-prone. How will the war affect him, and vice versa? The realities of trench war at the front provide a contrasting backdrop for his adventures, as he blunders into contact with all sorts of people, both fictional and historical (the King, Lester Pearson, and Winston Churchill). *Three Cheers For Me* was first published in 1962, to wide critical acclaim. This expanded version first appeared in 1973, to launch the series now known as *The Bandy Papers*. From the Trade Paperback edition.
