Winton is Australia's most decorated and beloved literary novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Awards for Best Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In *Eyrie*, Winton crafts the story of Tom Keely, a man struggling to accomplish good in an utterly fallen world. Once an ambitious, altruistic environmentalist, Keely now finds himself broke, embroiled in scandal, and struggling to piece together some semblance of a life. From the heights of his urban high-rise apartment, he surveys the wreckage of his life and the world he's tumbled out of love with. Just before he descends completely into pills and sorrow, a woman from his past and her preternatural child

appear, perched on the edge of disaster, desperate for help. When you're fighting to keep your head above water, how can you save someone else from drowning? As Keely slips into a nightmarish world of con artists, drug dealers, petty violence, and extortion, Winton confronts the cost of benevolence and creates a landscape of uncertainty. Eyrie is a thrilling and vertigo-inducing morality tale, at once brutal and lyrical, from one of our finest storytellers.

While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges—alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. *The Riders* is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. *The Riders* is also a moving story about the relationship between a loving man and his tough, bright daughter.

'Eclectic and impassioned, a collection that affirms the power of the written word' Observer The Boy Behind the Curtain is a portrait of a life, a place and a man. In this deeply personal collection of true stories and essays Tim Winton shows how moments from his childhood and life growing up have shaped his views on class, faith, fundamentalism, the environment, and - most pressingly - how all his experiences have made him a writer. From unexpected links between car crashes and faith, surfing and writing, to the story of his upbringing in the changing Australian landscape, The Boy Behind the Curtain is an impassioned, funny, joyous, astonishing collection of memories, and Winton's most personal book to date.
