Back to the Future meets The Curious Incident of the Dog in the Night-Time in this original, poignant, race-against-time story about a boy who travels back to 1984 to save his father's life. My dad died twice. Once when he was thirty-nine and again four years later, when he was twelve. On his twelfth birthday, Al Chaudhury receives a letter from his dead father. It directs him to the bunker of their old house, where Al finds a time machine (an ancient computer and a tin bucket). The letter also outlines a mission: travel back to 1984 and prevent the go-kart accident that will eventually take his father's life. But as Al soon discovers, whizzing back thirty years requires not only imagination and courage, but also lying to your mom, stealing a moped, and setting your school on fire--oh, and keeping your pet hamster safe. With a literary edge and tons of commerical appeal, this incredible debut has it all: heart, humor, vividly imagined characters, and a pitch-perfect voice.

For readers who loved Wonder and The Curious Incident of the Dog in the Night-Time this extraordinary debut will make you laugh and cry. A story that crosses time and generations, for adventure-loving readers young and old.

A truly original debut novel from an extraordinarily talented new voice in children s books. Laugh, cry and wonder at this race-against-time story of a boy who travels back to 1984 to prevent a go-kart accident, and save his father s life My dad died twice. Once when he was thirty nine and again four years later when he was twelve. The first time had nothing to do with me. The second time definitely did, but I would never even have been there if it hadn t been for his time machine When Al Chaudhury discovers his late dad s time machine, he finds that going back to the 1980s requires daring and imagination. It also requires lies, theft, burglary, and setting his school on fire. All without losing his pet hamster, Alan Shearer "

In this fast-paced time travel adventure into the future, a girl and her dog set out to save the world from a deadly plague. He smells terrible. He'll eat literally anything. And he's humanity's only hope... When 12-year-old Georgie makes friends with an eccentric retired scientist, she becomes the test-subject for a thrilling new experiment: a virtual reality 3-D version of the future. At first, it's just a game. But when a deadly virus threatens to wipe out every pup on the planet, Georgie and her beloved (and very smelly) dog, Mr. Mash, along with best friend Ramzy, must embark on a desperate quest to save the dogs-- and also all of humanity. And they have to do it without actually leaving the room. This high-concept, astonishing new novel from the author of Time Traveling with a Hamster takes us on an epic adventure, and asks the question: is it really possible to alter the future?

A surprising, stunningly beautiful, and funny novel about a girl who turns invisible and, in the process, discovers who she really is, from the author of TIME TRAVELING WITH A HAMSTER Twelve-year-old Ethel Leatherhead only meant to cure her acne, not turn herself invisible. But that's exactly what happens when she combines herbs bought on the Internet with time spent in a secondhand tanning bed. At first it's terrifying to be invisible . . . and then it's fun . . . but when the effect doesn't wear off one day, Ethel is thrown into a heart-stopping adventure. With her friend Boydy by her side, Ethel struggles to conceal her invisibility, all the while unraveling the biggest secret of all: who she really is. From the talented author of Time Traveling with a Hamster comes another utterly original, deeply poignant--and humorous--novel about a girl who, by disappearing, will write herself into your heart forever.

A heartstopping, poignant, epic adventure story about a boy destined to live forever, who only wants to grow up. Without death, life is just existence. Have you ever wondered what it would be like to live forever? Well, Alfie Monk can tell you. He may seem like an ordinary eleven-year-old boy, but he's actually more than a thousand years old--and remembers the last Viking invasion of England, not to mention the French Revolution and both World Wars. Way back in the tenth century, he and his mother were given the alchemical secret to eternal life. But when everything Alfie knows is destroyed in a fire, and the modern world intrudes, he must embark on a mission--along with friends Aidan and Roxy--to find a way to reverse the process and grow up like a regular boy. This astonishing new novel from the author of Time Traveling with a Hamster, told in alternating perspectives by Alfie and Aidan, is a tour de force--a sweeping epic that takes you on an unforgettable, breathtaking adventure and asks big questions about the meaning of life.

The stunning new 10+ story from the bestselling and award-winning author of TIME TRAVELLING WITH A HAMSTER, for anyone who loved the humour of WALL-E, the action of STAR WARS and the deeply touching emotion of ET.

The landmark new novel from Ross Welford, one of the fastest-growing and most critically acclaimed middle grade authors in the UK, this funny, moving and brilliant sixth book cements his position as the most exciting storyteller around for readers of 10+.

A darkly comic dystopian time travel sci-fi detective novel. Beneath the black humour, Time Travel Hotel is an exploration of identity and whether we are defined by a place of origin, residence, citizenship or by the decisions that propel us through life. It is a book about regret and missed opportunities. A book about going back – if only you could.
