In the world of Tokyo Ghoul, sometimes the only way to fight monsters is to become one... The Commission of Counter Ghoul is the only organization fighting the Ghoul menace, and they will use every tool at their disposal to protect humanity from its ultimate predator. Their newest weapon in this hidden war is an experimental procedure that implants human investigators with a Ghoul's Kagune, giving them Ghoul powers and abilities. But both the procedure and the newly formed Qs Squad are untested. Will they become heroes...or monsters?! The CCG never thought that taking down the Rosewald family would be easy and, as expected, the casualties are piling up. Numbered among the wounded is Haise Sasaki, whose critical injuries leave him vulnerable when the past threatens to overwhelm him!

Things heat up in the 11th Ward as the CCG investigates the high rate of investigator deaths. Kaneki has an explosive run-in with Aogiri Tree, essentially a Ghoul Gang, run by a Ghoul known only as the One-Eyed King. -- VIZ Media

A month has passed since Operation Auction Sweep, and business at the CCG rolls on. An intersquad task force has been formed to investigate the Tsukiyama family, and the Quinxes are part of the team. This is a huge case for the Qs, and the worst possible time for their mentor to fall apart. But Haise's frequent flashbacks have started making him question everything he believes in—even his own identity. -- VIZ Media

The Rushima Operation is reaching its sixth day, and both the CCG and the Ghouls are fighting at the edge of their limits. Under the extreme mental and physical stress, old allegiances loom large and both sides are finding they face tough choices on the battlefield. Whichever side wins, they've all lost too much... -- VIZ Media

Operation Auction Sweep has turned into a bloodbath as the investigators face off against the ghouls of Aogiri Tree's security forces. And with victory for the CCG far from assured, Investigator Toru Mutsuki must escape from behind enemy lines. His only help comes from Kuki Urie, the ex-Squad Leader of the Quinxes, whose only allegiance is to his next promotion. With such a dubious ally and flesh-hungry Ghouls all around, does Toru even have a chance? -- VIZ Media

The Qs Squad once again proves its worth by going undercover to collect vital Ghoul information, allowing the CCG finally move forward with a massive eradication campaign. But this strike pushes the Qs to their limits, bringing all their weaknesses to the forefront. And Haise is the hardest hit when his hidden past rushes forth to impact his future! -- VIZ Media

Unable to discard his humanity but equally unable to suppress his Ghoul hunger, Ken finds salvation in the kindness of friendly Ghouls who teach him how to pass as human and eat flesh humanely. But recent upheavals in Ghoul society attract the police like wolves to prey, and they don't discriminate between conscientious and ravenous Ghouls. -- VIZ Media

In the world of Tokyo Ghoul, sometimes the only way to fight monsters is to become one... The Commission of Counter Ghoul is the only organization fighting the Ghoul menace, and they will use every tool at their disposal to protect humanity from its ultimate predator. Their newest weapon in this hidden war is an experimental procedure that implants human investigators with a Ghoul's Kagune, giving them Ghoul powers and abilities. But both the procedure and the newly formed Qs Squad are untested. Will they become heroes...or monsters?! The Ghoul-CCG alliance secures its first victory when it rescues Kaneki from the monster he was entombed within. But the creature still poses a dire threat to the city as it continues to birth mutant Ghouls, some of which are infecting humans with a horrific form of Ghoullism! The only cure lies deep in the belly of the beast itself, and Kaneki is determined to find it. But will this act of bravery be the final strike to end the war or Kaneki's last stand?!

Furuta's new methods have made the CCG deadlier and more efficient than ever, and more than 80 percent of the Ghouls in Tokyo have been eradicated. Kaneki and the rest of the Goat have gathered survivors in the stronghold of the 24th Ward. But without access to food, their

safety comes at a bitter price. -- VIZ Media

While Haise is determined to help his old friends escape from Cochlea prison, he doesn't want to hurt any of his CCG colleagues. But his mentor Kisho Arima takes the decision out of Haise's hands, confirming some of Haise's greatest fears about the organization that has become his whole life. He lost everything once before. How will he handle it happening again?! -- VIZ Media
