Justin Lee, a gay man and devout Christian, bridges the gaps between his faith and sexuality in this insightful and touching memoir. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed "God Boy" by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the "ex-gay" movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, TORN provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that "in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace," Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

A film is finished and almost ready to make its way into theaters, but one or more of its prime movers (producer, director, studio brass) contends that it doesn't feel right. What can be almost instantaneously changed to give it a new "feel"? The last element that was added--its music! So, often regardless of whether a film actually needs a new score, a new composer is hired at the last minute to quickly replace a previous composer's often-heartfelt work. In Hollywood and around the world, scores have been rejected and replaced for every conceivable reason--style, quality, composer's name recognition, test-audience's reaction, a picture's reediting, etc. Sometimes new music improves a film; sometimes it doesn't. Such score replacements, which are more common than one might imagine, affect the work of the most famous and respected composers in the business as much as they do novice and unknown composers. In Torn Music (which takes its title from one of the most famous score replacements, the film Torn Curtain, which put an end to the long and fruitful collaboration of director Alfred Hitchcock and composer Bernard Herrmann), author Gergely Hubai presents the often strange, and sometimes wild, stories behind 300 rejected and replaced film scores from the 1930s through the 2000s. In these pages are behind-the-scenes tales about the music for popular films and forgotten films, high cinema art and lowbrow exploitation movies, as well as television programs and even a video game.

Clorinda Matto de Turner was the first Peruvian novelist to command an international reputation and the first to dramatize the exploitation of indigenous Latin American people. She believed the task of the novel was to be the photograph that captures the vices and virtues of a people, censuring the former with the appropriate moral lesson and paying its homage of admiration to the latter. In this tragic tale, Clorinda Matto de Turner explores the relationship between the landed gentry and the indigenous peoples of the Andean mountain communities. While unfolding as a love story rife with secrets and dashed hopes, Torn from the Nest in fact reveals a deep and destructive class disparity, and criticizes the Catholic clergy for blatant corruption. When Lucia and Don Fernando Marin settle in the small hamlet of Killac, the young couple become advocates for the local Indians who are being exploited and oppressed by their priest and governor and by the gentry allied with these two. Considered meddling outsiders, the couple meet violent resistance from the village leaders, who orchestrate an assault on their house and pursue devious and unfair schemes to keep the Indians subjugated. As a romance blossoms between the a member of the gentry and the peasant girl that Lucia and Don Fernando have adopted, a dreadful secret prevents their marriage and brings to a climax the novel's exposure of degradation: they share the same father--a parish priest. Torn from the Nest was first published in Peru in 1889 amidst much enthusiasm and outrage. This fresh translation--the first since 1904--preserves one of Peru's most distinctive and compelling voices.
