A seamstress who stitches magic into clothing finds herself torn between loyalty to her brother and her secret love for a nobleman in this debut fantasy inspired by the French Revolution. In a time of revolution, everyone must take a side. Sophie, a dressmaker and charm caster, has lifted her family out of poverty with a hard-won reputation for beautiful ball gowns and discreetly embroidered spells. A commission from the royal family could secure her future -- and thrust her into a dangerous new world. Revolution is brewing. As Sophie's brother, Kristos, rises to prominence in the growing anti-monarchist movement, it is only a matter of time before their fortunes collide. When the unrest erupts into violence, she and Kristos are drawn into a deadly magical plot. Sophie is torn -- between her family and her future. The Unraveled KingdomTornFray

Although much of today's literature offers snappy, fantastical plots, Torn Threads stands out as an expansive and descriptive historical journey. It follows an unforgettable character through 35 years of emotional, sweeping changes brought about by war and by circumstance. Beginning in pre-war England in 1931, the story chronicles the life of Doreen Bailey, first as she comes to terms with leaving a monastic life. Then, her new pursuits are interrupted by the events of World War II. Her husband enlists in The Royal Navy, and soon their daughter is evacuated to the countryside. Their lives take divergent paths, changing forever. This is an historical narrative that includes real and significant war events, yet the story doesn't end in 1945. It deftly crosses the ocean and picks up in America, where perhaps the characters face their truest tests of courage and persistence. Their stories will grip you from the beginning and stay in your memory long after finishing the book.

“Thread So Thin by Marie Bostwick is an endearing tale that will please all readers . . . this book is well written and wonderful for a book for the beach or just hanging around the pool.” –Manic Readers New York Times bestselling author Marie Bostwick crafts a timeless tale of friendship, love, and the choices we must make in their name. . . While New Bern, Connecticut, lies under a blanket of snow, the Cobbled Court Quilt Shop remains a cozy haven for its owner, Evelyn Dixon, and her friends. Evelyn relishes winter's slower pace--besides, internet sales are hopping, thanks to her son Garrett's efforts. In addition to helping out at the shop, Garrett has also been patiently waiting for his girlfriend, Liza, to finish art school in New York City. But as much as Evelyn loves Liza, she wonders if it's a good idea for her son to be so serious, so soon, with a young woman who's just getting ready to spread her wings. . . Liza's wondering the same thing--especially after Garrett rolls out the red carpet for a super-romantic New Year's Eve--complete with marriage proposal. Garrett's the closest thing to perfect she's ever known, but what about her own imperfections? The only happy marriage Liza's ever seen is her Aunt Abigail's, and it took her decades to tie the knot. Soon, Liza is not only struggling with her own fears, but with the mixed reactions of her friends and family. And when she finds herself torn between a rare career opportunity and her love for Garrett, Liza must grasp at the thinnest of threads--and pray it holds.

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world. Step into the world of the Trylle, and prepare to be enchanted... When Wendy Everly first discovers the truth about herself—that she's a changeling switched at birth—she knows her life will never be the same. Now she's about to learn that there's more to the story... She shares a closer connection to her Vittra rivals than she ever imagined—and they'll stop at nothing to lure her to their side. With the threat of war looming, her only hope of saving the Trylle is to master her magical powers—and marry an equally powerful royal. But that means walking away from Finn, her handsome bodyguard who's strictly off limits...and Loki, a Vittra prince with whom she shares a growing attraction. Torn between her heart and her people, between love and duty, Wendy must decide her fate. If she makes the wrong choice, she could lose everything, and everybody, she's ever wanted...in both worlds. As a special gift to readers, this book contains a new, never-before-published bonus story, "One Day, Three Ways," set in the magical world of the Trylle.

A beloved toy fox becomes lost, tattered, repaired, and loved for his imperfections

First published in 1938, 'Anthem' is a dystopian fiction novel by British writer Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated.
