The only book available devoted exclusively to the development of interpersonal skills, this completely self-contained program provides an action-oriented approach in which readers actually practice skills behavior. Centered around twelve key interpersonal skills and discussion of the concepts underlying each skill. Contains skills modules on coaching, team building, negotiation, interviewing, and empowering people. Organizes chapters around the ten-step TIPS learning model based on social-learning theory.

This text is appropriate for college courses in Management Skills. Management is an applied topic. Conceptual frameworks can provide business school graduates with needed information and ideas to understand management situations, but to become effective managers they need practice in behaving as a manager and they need to receive feedback on their performance. This text focuses on how to develop the skills one needs to manage, rather than what managers do. It is organized around the four functions of management (planning, organizing, leading and controlling).

Do You Know How To Communicate With People Effectively, Avoid Conflicts and Get What You Want From Life? ...It's mostly about what you say, but also about WHEN, WHY and HOW you say it. ****MY GIFT TO YOU INSIDE: Link to download my 120 page e-book "Mindfulness Based Stress and Anxiety Management Tools" for free!**** Do The Things You Usually Say Help You, Or Maybe Hold You Back? Dear Friends, Have you ever considered how many times you intuitively felt that maybe you lost something important or crucial, simply because you unwittingly said or did something, which put somebody off? Maybe it was a misfortunate word, bad formulation, inappropriate joke, forgotten name, huge misinterpretation, awkward conversation or a strange tone of your voice? Maybe you assumed that you knew exactly what a particular concept meant for another person and you stopped asking questions? Maybe you could not listen carefully or could not stay silent for a moment? How many times have you wanted to achieve something, negotiate better terms, or ask for a promotion and failed miserably? It's time to put that to an end with the help of this book. Lack of communication skills is exactly what ruins most peoples' lives.
