Tribes Q A - webmindset  
In this fascinating book, Seth Godin argues that now, for the first time, everyone has an opportunity to start a movement - to bring together a tribe of like-minded people and do amazing things. There are tribes everywhere, all of them hungry for connection, meaning and change. And yet, too many people ignore the opportunity to lead, because they are "sheepwalking" their way through their ...

TRIBES (Seth Godin)  
Seth Godin argues the Internet has ended mass marketing and revived a human social unit from the distant past: tribes. Founded on shared ideas and values, tribes give ordinary people the power to lead and make big change. He urges us to do so. This talk was presented at an official TED conference, and was featured by our editors on the home page.
