Read Book Triumph Thruxton Bonneville 1959 1969

The Triumph Bonneville T120 is a motorcycle originally made by Triumph Engineering from 1959 to 1975. It was the first model of the Bonneville series, which was continued by Triumph Motorcycles Ltd. The T120 was discontinued in favour of the larger 750 cc T140 in the early 1970s. The Bonneville T120 name was revived in 2016 on a new machine with larger engine and updated specifications. One was used as a model for Sirius Black's Motorbike in Harry Potter and the Sorcerer's Stone.
