MINI Cooper. The Mini is a small economy car made by the British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered a British icon of the 1960s. The production version of the Mini was demonstrated to the press in April 1959, and by August several thousand cars had been produced ready for the first sales.

2018 Mini Cooper Owners Manual – The authentic Mini of 1959 virtually identified the modern-day economy car, but the new edition resurrected by BMW back in the early 2000s is something more. Although neither of them innovative neither very affordable, it is a popular selection for people who want a compact, zippy, fun little car which includes a lot more individuality than most of the commuter cars on the road.
