A member of reception staff can keep a record of visitors entering the premises. There is usually space to hand write name, car registration, time in and who they are visiting. Using a visitor book contributes towards a secure workplace and in addition acts as a fire list in the event of an evacuation.

•••
When visitors sign in, they fill out their visitor badge as a self-adhesive label. This action automatically transfers their information onto a duplicate record sheet underneath. The label liner is opaque, preventing subsequent visitors from seeing who signed in before them.
