Not every Christian should go to seminary, but there are certain teachings of the Bible that every Christian must know. Theology is important because what we believe affects how we live. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, Christian Beliefs is for you. This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book Systematic Theology, prized by pastors and teachers everywhere. He and his son, Elliot, have boiled down the essentials of Christian theology for the layperson and made them both clear and applicable to life. You will learn about the Bible, the characteristics of God, what it means that we are created in the image of God, what God has done for us in Christ, the purpose of the church, and much more. Each chapter includes questions for personal review or group discussion. "These truly are twenty basic beliefs that every Christian should know. Wayne Grudem is a master teacher with the ability to explain profound truths in simple language. He is a man of deep conviction and theological passion--and those who read this book will be both educated and encouraged in the faith." --R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary, Louisville, Kentucky "Based on Systematic Theology, this summary will certainly help beginners with Christ to get the hang of their faith." --J. I. Packer, Regent College, Vancouver, British Columbia "As Wayne Grudem's Systematic Theology contracts into a compact book, I do not lose my enthusiasm for the truth he loves and the clarity of his words." --John Piper, Bethlehem Baptist Church, Minneapolis, Minnesota

"This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book on systematic theology."--Back cover.

Understand what you believe! In this ground breaking DVD series, Dr. Wayne Grudem teaches the 20 main doctrines of the faith with biblical depth, spiritual passion and a freshness that makes this series unique in the Christian world. This Study Guide, written by Clear Cut Media, accompanies the DVD series. The aim of the course is to provide a good understanding of all the main doctrines of the Bible in an accessible and enjoyable format, securing and grounding Christians in the faith. Each session lasts approximately 40 minutes, with optional discussion breaks, and finishes with a questions and answers section. It is suitable for both group or individual use. Contents: 1. What is the Bible? - The authority, necessity, clarity, and sufficiency of scripture. 2. What is God like? - The attributes of God. God's holiness, love, justice, omniscience, and much more. 3. What is the Trinity? - Exploring the beauty, complexity and roles within the Godhead. 4. What is creation? - The origin and purpose of creation, and the implications for us today. 5. What is prayer? - Understanding our relationship with the Lord and how it works out in prayer. 6. What are angels and demons? - How the activities of both angels and demons affect us today. 7. What is man? - Understanding the implications of being made in God's image. 8. What is sin? - The origin and effects of sin. 9. Who is Christ? - The humanity and deity of Christ and its implications for salvation and worship. 10. What is atonement? - The cause, necessity, nature and results of Christ's atonement. 11. What is the resurrection? - Understanding the effects of the resurrection for us today. 12. What is election (or predestination)? - What election does and does not mean, and its implications for faith and worship. 13. What does it mean to become a Christian? - The process of calling, regeneration and conversion. 14. What are justification and adoption? - The central role of justification by faith and its result in adoption. 15. What are sanctification and perseverance? - Christian growth and God's preservation of the saints. 16. What is death? - The death and resurrection of Christians and non-Christians. 17. What is the church? - The power, purposes, purity, unity and consistency of the church. 18. What will happen when Christ returns? - The timing, signs, tribulation, and millennial views of Christ's return and reign. 19. What is the final judgement? - The purpose and events of the final judgement and the scriptural teaching about hell. 20. What is heaven? - The renewed heavens and earth, what we will do, and how it will glorify God. Each session is designed to be accessible from different levels. New Christians will be grounded in their faith, established believers will grow in their knowledge of God and understand the Bible much better, potential leaders will be trained, established leaders will be equipped for ministry. The study guide includes a 'Going Deeper' section suitable for those wanting to pursue a fuller understanding of these truths. Dr. Grudem, in his unique and warm style, provides essential teaching for all Christians. Having completed this course, Christians will not only be enabled to better love God and live for Him, but also gain a secure understanding of the faith, learning how to handle secondary issues with humility, and primary issues with clarity. This course is unique, a world first, in the combination of its scope, content and format. A Leader's Guide is also available.

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology,

Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand--and it's packed with solid, biblical answers to your most important questions.

You Mean to Say You Don't Know the Meaning of \* Monophysitism \* Hypostatic Union \* Infralapsarian \* Traducianism \* Chiliastic \* Pneumatomachian Cheer up! You don't have to have thousand-dollar vocabulary in order to grasp the priceless basics of Christianity. Christianity 101 bridges the gap between biblical scholarship and people who want to understand the Christian faith. This book presents eight basic doctrines of Christianity--The Bible, God, Christ, Holy Spirit, Human Beings, Redemption, The Church, and The Last Things--in clear, simple language that gives seasoned Christians a fresh understanding of the Bible and its teachings and puts new Christians on familiar terms with Christian doctrine. Gilbert Bilezikian does not shape his analysis of these doctrines in the worn-out, rationalistic categories of older systematic theologies, but in vibrant, dynamic language designed to communicate biblical truths to contemporary believers.

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

We can win the fight against global poverty. Combining penetrating economic analysis with insightful theological reflection, this book sketches a comprehensive plan for increasing wealth and protecting stability at a national level.

Academic questions? Not according to Jack Cottrell. He believes our answers to questions like these decide whether we'll win against Satan's battle for our mind and soul. How should you answer these questions? What do you know about the essentials of Christian faith? In a world that says truth doesn't matter, discover what God says about these basics. In a culture that emphasizes feelings over facts, consider what God says you must believe - and why. Seven readable chapters explain foundational principles in language everyone can understand. The book is perfect for groups as well as for your own individual study.

A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) "compel religion," (2) "exclude religion," (3) "all government is demonic," (4) "do evangelism, not politics," and (5) "do politics, not evangelism." He proposes a better alternative: (6) "significant Christian influence on government." Then he explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people's political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person's heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth's resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.
