The Vauxhall Zafira may sound like a daunting vehicle on which to change a cambelt, but with a little know-how and the appropriate tools it will prove to be an ideal repair for the independent garage business.

High Power Engines Need A High Performance Clutch

Air filters are the first step to tuning any engine. The principle is simple, the more air you get in the engine, the more power you get. But that's not all! Bolting on an induction kit can increase your car's power from 1-2bhp, up to 15bhp (rolling road proven!!)

Turbocharger K03 Standard Z16LEx A16LEL/LER/LET 1.6 Turbo

Models & engine types for all GM Vauxhall & Opel's

Z16LET | A16LET | A16LER | Z16LER - Vauxhall Corsa & Astra VXR. The Corsa VXR is a lively one, with 190 BHP from a small 1.6 turbocharged engine. As with all Corsas it's light, nimble and handles as if it was on rail. It features ESP which is unsuitable for some, but it may just stop you going backwards into the road traffic island ahead. 190 BHP and a heavy right foot will provoke a lot ...

Buying Z16LET Turbo 1.6 Turbocharger for Astra & Meriva 1.6 Turbo models. Increase of approximately 10BHP. Suitable for the Z16LET & Z16LER engine codes. This is the pipe before the catalytic converter (Pre-CAT)

Z16LET combo project | Vauxhall Corsa-C Forum

I've been contemplating this conversion for a few years now and about 2 weeks ago I finally got the break I needed and managed to get a Meriva VXR (Z16LET) old C for a bargain price. As soon as I had the Meriva I needed a decent combo to make it all happen. Enter a 9000 mile 1.3 CDTi ...

LMF Vauxhall - Z16LER & Z16LET Turbo exhaust downpipe (Pre-CAT)

A stainless steel exhaust downpipe for Astra & Corsa 1.6 Petrol Turbo model. Increase of approximately 15BHP. Suitable for the Z16LET & Z16LER engine codes. This is the pipe before the catalytic converter (Pre-CAT)
